

Swing Into It! Golf Tournament

The Stanwich Club, Greenwich • October 3, 2019

Dear Friends,

It is with great excitement and anticipation that **Stepping Stones** Museum for Children invites you to the 16th season of the *Swing Into It!* Golf Tournament at the Stanwich Club in Greenwich. Grab your clubs and get ready to hit the fairway for this exciting annual event that supports the museum's critical *Open Arms* initiative.

Stepping Stones believes that every child deserves a high-quality, educational museum experience. Since opening our doors in Norwalk's historic Mathews Park nineteen years ago, we remain committed to providing accessibility for all children, families, and schools in the region, through our *Open Arms* Accessibility Initiative. In 2019 we will continue to provide unique opportunities for residents throughout the Greater New York area to enjoy museum exhibits, educational programs, special events, and services regardless of financial, language or special needs barriers. We know that many families in our region would not have access to our museum and its programs without this initiative. This year the museum plans to serve at least 60,000 individuals through *Open Arms* at an operational cost of \$1,100,000.

Numerous sponsorship opportunities allow you to support the *Open Arms* initiative at **Stepping Stones** Museum for Children and receive recognition before, during and after the event. At this time, the museum is seeking players and tournament sponsors at levels ranging from \$4,000 – \$20,000.

We truly hope that you will come out for a relaxing day of golf and make a positive impact on children and families throughout the community. At this crucial time for *Open Arms* and Stepping Stones, your support is deeply appreciated.

Sincerely,

John Foster
